

PRE CLEANER

Prepares the surface for Nanoman coatings.

Nanoman Pre Cleaner is a powerful cleaner that thoroughly cleans and helps evaporate moisture from surfaces to be coated with Nanoman coatings. The cleaning of surfaces prior to the application of the nano coating is essential in achieving the most effective results.

Nanoman Pre-Cleaner is also very effective at killing germs, bacteria and viruses. Used widely in hospitals and commercial buildings, the active ingredient kills dead these organisms providing a clean and healthy environment and can be used both pre and post Nanoman Coating applications.

APPLICATIONS

- Glass, windows, ceramic, stainless steel and metal prior to the application of the Nanoman coating.
- Any surface that requires pre cleaning, such as solar panels.
- Do NOT use on glass tinted with film or any porous surface.

FEATURES and BENEFITS

- Powerful cleaner which effectively kills germs, bacteria and viruses.
- Fast acting.
- Non abrasive.
- Prepares surface for nano sealant.
- Quick evaporation.

KEY FACTS

- Available in 125ml, 250ml and 750ml and trade sizes.
- Apply at a rate of 15-20ml per m².
- After using Nanoman Pre Cleaner, ensure the surface is completely dry (and dirt free) before applying one of the Nanoman protective sealants.

WHY NANOMAN

Nanotech Products specialises in the development, manufacture and supply of innovative nano based coatings. Through our Nanoman brand, we offer the most comprehensive range of nanotechnology enabled surface coatings currently available in Australia and globally. Nanoman products are all eco-friendly, easy to use and designed to provide maximum protection from liquids, environmental pollution and weathering.

Nanoman coatings provide surface protection for a variety of materials including glass, solar panels, stone, concrete, wood, metal, textiles, tile, stucco, block walls, motor vehicles, boats and equipment. Nanoman products reduce the need for the use of cleaning chemicals which are detrimental to the environment making the use our products a better choice for the planet.
